The **MIAMI BEACH FIRE DEPARTMENT** is **NOT** obligated to provide off-duty fire/rescue services. Off-duty fire/rescue services will not be approved to any person, firm, or organization whose officers, members, business, or operations are of a questionable nature; or for any event that will discredit the employee, fire department or the City.

It is understood that, notwithstanding the fact that the applicant will pay the department for employee(s) for services rendered and for administrative fees, the department personnel will remain employees of the Miami Beach Fire Department. The applicant is restricted to the general assignment of duties to be performed and has no authority over Fire Department personnel.

It is further understood by all parties that fire department personnel performing off-duty services who take action falling within the purview or on the premises of the applicant shall remain in an off-duty service status for the duration of time to complete the processing of such action. Any time beyond that originally contracted for which is used to complete the processing of the fire/rescue action shall be paid for by the applicant. However, fire department personnel taking action outside the purview of the applicant, or off the applicant's premises, will revert to an on duty status.
